Report on Dandiya Celebration on the Occasion of Navaratrotsav

Event Name: Dandiya Function

Date – 17/10/2018

Introduction: Education is a pretty broad concept that surpasses the four walls of classroom. The core aim of education is to foster all round development of a child. All round development essentially means intellectual, physical, moral sensible and social development. We know our culture, tradition and also they pass to the next generation. The three goddesses – Durga, Lakshmi and Saraswathi – are invoked. These goddesses are symbolic of the three prime qualities namely, Strength, Wealth and Wisdom respectively. More than a religious festival, it is now a widely accepted forum for social interaction. Navratri Festival is celebrated by Hindus with great devotion for 10 days. Idol of Goddess Durga is worshipped during Navratri. People stay awake the whole night during the nine days of Navratri and play Dandiya and Garba. This festival is celebrated by all Hindus and has special significance in Gujarati community. On this occasion our MBA I & II year students were arranged this function. All of them celebrated the day with joy and cheer.

AN EXTENSION ACTIVITY OF CLEANLINESS BY THE INSTITUTE

On the occasion of 'SHIV JAYANTI' (February 19, 2020) Yashoda Technical campus has organized an event of cleanliness at Char Bhinti area Satara. Main intention behind this program is Swacha Bharat, Clean Bharat. All the staff members and the students enthusiastically participated in the cleanliness program.

Cleanliness is most important for physical well-being and a healthy environment. It has bearing on public and personal hygiene. It is essential for everyone to learn about cleanliness, hygiene, sanitation and the various diseases that are caused due to poor hygienic conditions. Why Is It Important to Clean the Environment? A clean environment ensures the continual existence and survival of all life on Earth. Cleaning the environment reduces pollution, protects unique ecosystems, prevents the extinction of endangered species and conserves resources, such as water, land and air. All the staff and students approached to Char Bhinti area Satara, travelled through College Bus. All are well equipped with broom and other cleanliness equipments. The staff members and students swept the floor of Char Bhinti area. Also they picked up small waste of plastics; waste papers existed in the Char Bhinti Campus. Students also cleaned the walls of Char Bhinti area. They erased the unnecessary paintings on monument of Char Bhinti Area.

Environmental cleanliness can be enhanced by cleaning the mess created around us regularly, avoiding plastic bag usage, not littering the road by throwing the garbage, effective disposal of used water, adopting reusing and recycling techniques and always monitoring the pollution levels. All the staff and students cleaned the waste and fired the waste of plastic bags and buried the waste in the side by waste dig. All the staff and students made an oath to maintain the clean and green environment in the society as well as in Campus.

Cleanliness is an important quality of life. In fact, it is a habit which is often considered just next to godliness. Cleanliness is a habit not related to the wealth of a person, rather it is a habit which depicts the qualities a person is enriched with. Since health is wealth, cleanliness prevents diseases, promotes good health and thereby preserves our wealth. It maintains discipline at all levels. It promotes self-respect and self-confidence of the family, institution, city and country. A clean environment gives a cheerful mind to improve and progress.

afterwards in Satara District. In many villages people successfully led Mochas and hoisted national flags on village Chavadies. The movement of Patri Sarkar has the blessing of Aundh State. The Quit India movement under the leadership of Mahatma Gandhi was not to assume militant character in Satara District but the Seva Dal, the youth of Indian national congress, under the influence of Leftist ideology in the region and the influence of Karmaveer Bhausaheb Patil and his Rayat Shikshan Sanstha attracted the Maharashtra youth towards the revolutionary path especially in Satara district. The Satara parallel government in Maharashtra from August 1943 to May 1946 against the British rule was a legendary chapter in the glorious freedom struggle of India.

Report on YOGA for Students

June 21, 2022: International Yoga Day was celebrated with full spirit and joy in the Faculty of MBA. In the morning, there was a 1hr Mass Yoga session for the teacher of Yashoda Technical Campus. A formal programme was conducted during college working hours. Director was the chief Guest of the event. The International Yoga Day was organized at Faculty of MBA with the theme named "Yog for Students" A sum of 40 students comprising both Boys and Girl students of Faculty of MBA demonstrated Surya Namaskar, Various asanas of Yoga showing the strength of Yoga and the flexibility attained on doing it. Man is a physical, mental and spiritual being; yoga helps promote a balanced development of all the three. Other forms of physical exercises, like aerobics, assure only physical well-being. They have little to do with the development of the spiritual or astral body.

The art of practicing yoga helps in controlling a Students mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality. Practicing yoga might seem like just stretching, but it can do much more for student's body from the way it feels, look and move. Dr. R. R. Chavan conducted the activity and inspired students to do yoga as a regular practice.

ON CONSTITUTION DAY 2022

📅 November 26, 2022 ⌚ 02:00 PM
📍 ORANGE SEMINAR HALL, FACULTY OF MBA

Summary:

Constitution Day celebrated in the MBA department by organizing open discussion session. The event was arranged in Orange seminar Hall. There were total 28 students actively participated in this event. Students expressed their thoughts on following issues viz. Equality, secularism and justice. Students also

highlighted the responsibility of citizens mentioned in Constitution of India.

In the beginning Dr. R.R.Chavan introduced this activity and appeal to all students to start their open discussion on Preamble. Discussion was very interesting and thought provoking.

Student rose following notable issues during the discussion.

1. Krishna Navale(MBA-I) open the discussion forum and he thinks justice is only for a rich people and those people take advantage of justice for their own benefit and they should be penalized as they exploit the weaker section that is unaware of this constitution. There was no one who can listen and provide free service to present their opinion and provide justice to weaker people.
2. Shelka Mane(MBA-II) thinks as per constitution of Dr. Baba Sahib Ambedkar there are only two caste i.e. Male and female.
3. Vibhavari Ingawale(MBA-II) feels to aware the people who use child labour and need to think to do something to control them.
4. Priyanka Phalke(MBA-I) feels reservation should remove and everyone should get equal opportunity in admission and occupation. Selection should be based on individual performance rather than caste reservation. Fee concession should be on the basis of income and not should be on caste.
5. Sapana Nanaware(MBA-II) thinks there was a need to have reservation as it was the demand of that situation i.e. in 1949.
6. Akshada Sanas(MBA-II) said one should not only talk about rights but also talk on responsibilities of citizen mentioned in constitution. As respect to our nation, national flag, wealth and monuments of nation. We should maintain and should not spoil through garbage.
7. Many subjects were highlighted by the students and faculties as gender issues like equality at home among girl child and boy child, wife and husband, son and daughter in law, Respect to third gender and equal treatment, cleanliness, caring of animals is also our responsibility.

Debate Competition

MCA Department had organized Debate Competition on 14th January 2023 from 2:30-4:30 PM for students of MCA at Pink Seminar Hall. 12 students i.e. 6 groups had participated in this event with great enthusiasm .The aim of organizing debate competition was to make students inculcate the ability of public speaking skills and how to put forth our view while being polite; it is necessary to listen properly and be able to counter the opponent. The session was the kaleidoscope of opinions, thoughts and perspective that enhanced the knowledge and understanding about the cashless economy among students. Unsurprisingly, this led to a wide spectrum of contrasting views from being heralded as an inevitable future, to being poorly perceived positivity and doubtful future due to a severe lack of critical infrastructure and technology, to being an achievable dream that can lead to a more transparent economy and a possibility of less corrupt India. The event was judged by HOD. Dr. Sunita Jadhav Ma'am. And we had winners.

Maharashtra Day

YSPMs Yashoda Technical Campus, Satara celebrated Maharashtra Din on 1st May 2023. Maharashtra Day is a significant day for the people of Maharashtra, as it marks the formation of the state on 1st May, 1960. It is a day of great pride and joy for the people of Maharashtra, who celebrate it with enthusiasm and fervor. This year the event was graced by the appearance of Mr. J. G. Jadhav who guided students and the gathering on Maharashtra Din. He was welcomed at the hands of Hon. President Dasharath Sagare.

Maharashtra Day has a rich history that dates back to the early 20th century when the idea of a separate state for Marathi-speaking people was first proposed. The Samyukta Maharashtra Movement, which began in the late 1950s, was a significant milestone in the struggle for a separate state. The movement led to the formation of Maharashtra and Gujarat as separate states on May 1, 1960. Maharashtra Day, therefore, holds great significance as it represents the culmination of a long and hard-fought struggle for a separate state.

Maharashtra Day is celebrated with great enthusiasm and fervor throughout the state. The day begins with the hoisting of the national flag, followed by parades and cultural programs. People dress up in traditional attire and participate in various cultural events, including folkdances and music performances. The celebrations are a testament to the rich cultural heritage of Maharashtra and the pride that the people of the state feel for their traditions.
