highlighted the responsibility of citizens mentioned in Constitution of India.

In the beginning Dr. R.R.Chavan introduced this activity and appeal to all students to start their open discussion on Preamble. Discussion was very interesting and thought provoking.

Student rose following notable issues during the discussion.

1. Krishna Navale(MBA-I) open the discussion forum and he thinks justice is only for a rich people and those people take advantage of justice for their own benefit and they should be penalized as they exploit the weaker section that is unaware of this constitution. There was no one who can listen and provide free service to present their opinion and provide justice to weaker people.
2. Shelka Mane(MBA-II) thinks as per constitution of Dr. Baba Sahib Ambedkar there are only two caste i.e. Male and female.
3. Vibhavari Ingawale(MBA-II) feels to aware the people who use child labour and need to think to do something to control them.
4. Priyanka Phalke(MBA-I) feels reservation should remove and everyone should get equal opportunity in admission and occupation. Selection should be based on individual performance rather than caste reservation. Fee concession should be on the basis of income and not should be on caste.
5. Sapana Nanaware(MBA-II) thinks there was a need to have reservation as it was the demand of that situation i.e. in 1949.
6. Akshada Sanas(MBA-II) said one should not only talk about rights but also talk on responsibilities of citizen mentioned in constitution. As respect to our nation, national flag, wealth and monuments of nation. We should maintain and should not spoil through garbage.
7. Many subjects were highlighted by the students and faculties as gender issues like equality at home among girl child and boy child, wife and husband, son and daughter in law, Respect to third gender and equal treatment, cleanliness, caring of animals is also our responsibility.

The open discussion session was very interesting. Student discussed also on their plans to control the social problems. They decided to maintain cleanliness form their own and in campus. They agreed to use social media and hoarding to increase the awareness among the student in campus.

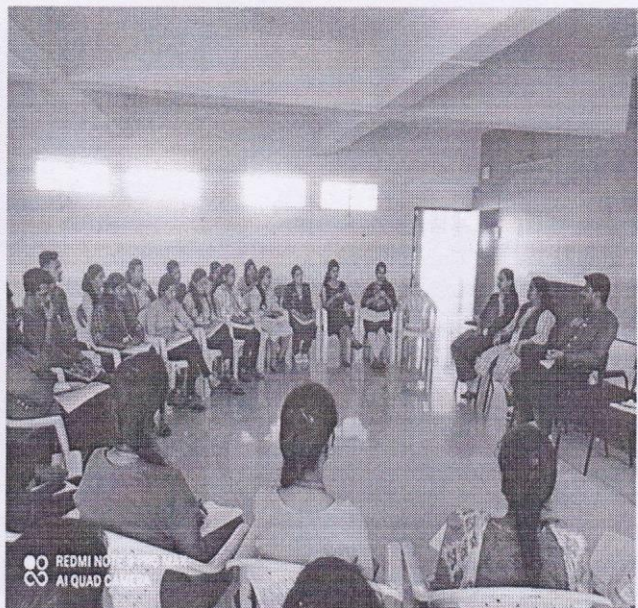

Prof. R.D. Mohite , HOD of MBA highlighted the crux of Constitution of India. He provokes the students to express their thoughts on the occasion of this event. Sir also appreciated and motivated the students to share their views. Sir and other faculty members also actively participated and expressed their views on this occasion. Thus, the open discussion session of teacher and student was very fruitful to serve the main aim of constitution day. All have enjoyed and participated so the aim of this activity is fulfilled. ## **Maharashtra Day**

YSPMs Yashoda Technical Campus, Satara celebrated Maharashtra Din on 1<sup>st</sup> May 2023. Maharashtra Day is a significant day for the people of Maharashtra, as it marks the formation of the state on 1<sup>st</sup> May, 1960. Maharashtra Day has a rich history that dates back to the early 20th century when the idea of a separate state for Marathi-speaking people was first proposed. The Samyukta Maharashtra Movement, which began in the late 1950s, was a significant milestone in the struggle for a separate state. The movement led to the formation of Maharashtra and Gujarat as separate states on May 1, 1960. Maharashtra Day, therefore, holds great significance as it represents the culmination of a long and hard-fought struggle for a separate state.

Maharashtra Day is celebrated with great enthusiasm and fervor throughout the state. The day begins with the hoisting of the national flag, followed by parades and cultural programs. People dress up in traditional attire and participate in various cultural events, including folkdances and music performances. The celebrations are a testament to the rich cultural heritage of Maharashtra and the pride that the people of the state feel for their traditions.
